Riverside Regional Park Master Plan

Indy Parks is developing its Riverside Regional Park Master Plan. Riverside Regional Park, located on the near west side of Indianapolis, is one of our community's premier amenities for open space, recreation, and culture. The Master Plan process began in January 2017 and will conclude in November 2017.

Riverside Regional Park Master Plan

Public Input Survey

In order to understand how the park should change, the planning team needs to know what you think. By answering this survey, you will help us understand where to focus our time, how best to plan for the future, and what the City's priorities for implementation should be. Thank you for taking the time to help us plan Riverside Regional Park!

1. What do you love about the park?

2. What do you not love about the park?

3. If you could change one thing about the park, what would you do?
